The State Controller's Office (SCO) has completed a quality control review of the audit working papers for an audit performed by Smith & Granstrom, CPAs, of the Redondo Beach Unified School District for the fiscal year ended June 30, 2002 (FY 2001-02). The last day of fieldwork was August 14, 2003.

The audit referred to above was performed in accordance with the standards and requirements set forth in *Government Auditing Standards*, issued by the Comptroller General of the United States, often referred to as generally accepted governmental auditing standards (GAGAS); generally accepted auditing standards (GAAS); Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*; and the *Standards and Procedures for Audits of California K-12 Local Educational Agencies* (K-12 Audit Guide), published by the SCO.

Background

Any governmental unit subject to a single audit must have the audit performed in accordance with the standards referred to in this report. According to OMB Circular A-133, the auditor's work is subject to a quality control review at the discretion of an agency granted cognizant or oversight status by the federal funding agency. In addition, *Education Code* Section 14504.2 authorizes the SCO to perform quality control reviews of working papers for audits of K-12 local educational agencies (LEAs) to determine whether audits are performed in accordance with U.S. General Accounting Office standards for financial and compliance audits.

Smith & Granstrom, CPAs, is an independent certified public accounting firm with an office in Torrance, California. The firm consists of two partners who are licensed certified public accountants. The firm has been the independent auditor for Redondo Beach Unified School District since FY 1993-94. During FY 2001-02, the district operated eight elementary, two middle, one high, one continuation, and one adult school, with a total average daily attendance (ADA) of 8,681 for the purpose of state funding.

Objectives, Scope, and Methodology

The general objectives of the quality control review were to determine whether this audit was conducted in compliance with:

- GAGAS
- GAAS
- K-12 Audit Guide
- OMB Circular A-133

The quality control review was conducted at the office of Smith & Granstrom, CPAs. The SCO reviewers compared the audit work performed by the firm, as documented in the working papers, with the standards stated in the general objectives.

Conclusion

The audit referred to above was performed in accordance with the standards and requirements set forth in GAGAS, GAAS, OMB Circular A-133, and the K-12 Audit Guide.

This report is applicable solely to the audit working papers referred to above and is not intended to pertain to any other work of Smith & Granstrom, CPAs.
